Dear Sir / Madam,

RE: YOUR DEFAMATION OF ME

It has come to my notice that you have published and currently continue to publish defamatory comments about my website and therefore myself on your website at www.nafi.com.au .

The said defamatory comments which include a description of my website as being *bogus* relate to your re-publication of a Hobart Mercury article by journalists Ellen Whinnett and Sue Bailey.

Your publication of the word *bogus* is false and intrinsically injurious.

That publication appears on your website in places that include the following:

<http://www.nafi.com.au/news/view.php3?id=332>

and

NAFI eNews No 12.pdf, newsletter dated 5 December 2002.

TAKE NOTICE

I advise you that you should immediately remove all defamatory publications relating to my website and myself from your website and anything else you publish.

TAKE FURTHER NOTICE

You will be hearing from me in due course as to my damages in this matter.

Yours faithfully,

Gordon Craven
